10th ANNIVERSARY
GRAND SUMMER TASTING
NUNSMERE HALL
Sunday 27th June
4pm-7.30pm

PREDICTION: ENGLAND 3 - GERMANY 1

Forever the optimist, I've filled the shop with our bravest collection of wines yet. As the great wines of Bordeaux 2009 emerge daily at prices of £200+ per bottle, I feel a tinge of sadness that the wines that lured me into a life in the wine trade are sadly now out of my reach. Thankfully, a new breed of growers has emerged to satisfy the thirst of those that see wine more as units of happiness instead of units of alcohol. Wines within the reach of the average man, so long as he's got his priorities right!

This summer marks our 10 year landmark. We've had our moments, what with year-long roadworks, the seemingly never-ending financial crisis and the odd armed robbery thrown in, but we've survived without compromising what we set out to offer. Thank you for your support through thick and thin. Thanks also to my 'girls' (I say girls, although they're all old enough to be my mother!), Anne, Pat and Cheryl who have endured my 'ways' for most of those 10 years and given their all to the cause. Thanks also to Graham (see Table 2) for realizing two years in, that I'd be better off without him, and vice versa!

I'm confident you'll enjoy the line-up, but please take time to draw on the knowledge and enthusiasm behind the tables. They've travelled from far and wide, sacrificed a Sunday and left their families behind, and, worst of all, missed the footie: for you. They'll say it's for me, but it's you they're after, you and your wallets. Please give them what they want by ordering some wine!

Please write your name and address on the front page, and mark your order against the wines that wow you. Hand in your booklet before you leave, and we'll give it back to you when your order is together. Please also award 'Gold Stars' (as attached) by sticking them on those wines you think worthy. The special 'agent' with the greatest number of stars wins that elusive, priceless prize that awaits our footballers: glory.

Enjoy the tasting, and thanks again for your support.
Cheers!

Jon
